### **Arbitration**

In the event the parties are not able to resolve any dispute between them arising out of or concerning these Terms and Conditions, or any provisions hereof, whether in contract, tort, or otherwise at law or in equity for damages or any other relief, then such dispute shall be resolved only by final and binding arbitration pursuant to the Federal Arbitration Act, conducted by a single neutral arbitrator and administered by the American Arbitration Association, or a similar arbitration service selected by the parties, in a location mutually agreed upon by the parties. The arbitrator's award shall be final, and judgment may be entered upon it in any court having jurisdiction. In the event that any legal or equitable action, proceeding or arbitration arises out of or concerns these Terms and Conditions, the prevailing party shall be entitled to recover its costs and reasonable attorney's fees. The parties agree to arbitrate all disputes and claims in regards to these Terms and Conditions or any disputes arising as a result of these Terms and Conditions, whether directly or indirectly, including Tort claims that are a result of these Terms and Conditions. The parties agree that the Federal Arbitration Act governs the interpretation and enforcement of this provision. The entire dispute, including the scope and enforceability of this arbitration provision shall be determined by the Arbitrator. This arbitration provision shall survive the termination of these Terms and Conditions.

### **Class Action Waiver**

Any arbitration under these Terms and Conditions will take place on an individual basis; class arbitrations and class/representative/collective actions are not permitted. THE PARTIES AGREE THAT A PARTY MAY BRING CLAIMS AGAINST THE OTHER ONLY IN EACH'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PUTATIVE CLASS, COLLECTIVE AND/ OR REPRESENTATIVE PROCEEDING, SUCH AS IN THE FORM OF A PRIVATE ATTORNEY GENERAL ACTION AGAINST THE OTHER. Further, unless both you and Based Physics LLC agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding.

Based Physics LLC reserves the right, in its sole discretion, to terminate your access to the Site and the related services or any portion thereof at any time, without notice. To the maximum extent permitted by law, this agreement is governed by the laws of the State of Delaware and you hereby consent to the exclusive jurisdiction and venue of courts in Delaware in all disputes arising out of or relating to the use of the Site. Unless otherwise specified herein, this agreement constitutes the entire agreement between the user and Based Physics LLC with respect to the Site and it supersedes all prior or contemporaneous communications and proposals, whether electronic, oral or written, between the user and Based Physics LLC with respect to the Site. A printed version of this agreement and of any notice given in electronic form shall be admissible in judicial or administrative proceedings based upon or relating to this agreement to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form. It is the express wish to the parties that this agreement and all related documents be written in English.
